

## The 7 Seal Judgments

These next 3 articles are going to be extremely **hard hitting**. I am not going to pull any punches on what will be discussed in these next three articles. These 3 articles will be on the **judgments and wrath of God hitting this earth full force during the 7 year Tribulation** – which will be the last 7 years of the world.

Many Christians are afraid to read this part of Book of Revelation because it is just too horrible to think about and contemplate on. However, God is specifically telling us what is going to happen with these severe judgments.

**If God did not want us to have this information due to the intensity and severity of these judgments, then He would have never put them in the Bible. But since He did, this means that He wants all of us to have this information for our own knowledge base in Him, and to also to be able to pass this knowledge onto other people if these events ever start to occur in our lifetime.**

**For those of you who have the stomach to press in on exactly what is going to happen with these specific judgments, I challenge you to just sit back, relax, and use your own imagination to fully visualize these events as they are being described to you in the following Scripture verses.**

**If you do this, you will be able to grasp the intensity, severity, and magnitude of these events. The world has never seen anything like this before – and the world will never see anything like this ever again!**

Remember one last thing when you start reading on exactly what is going to occur with these severe judgments – these events will be occurring on a **worldwide global scale**. When using your imagination to visualize these events, imagine you are hovering above the earth, looking down, and seeing these events occur on a worldwide global scale. Then you will be able to appreciate the magnitude and intensity of these events.

## **The Judgments and Wrath of God**

There will 3 sets of judgments that will come upon the earth during the last 7 years. Some of these judgments will be allowed by God to occur. The rest will come directly from His hand. These 3 sets of judgments will occur in chronological and successive order as they are presented to you from the Bible. They are called:

- 1. The Seal Judgments (7)**
- 2. The Trumpet Judgments (7)**
- 3. The Bowl Judgments (7)**

There are 7 judgments within each of these 3 specific set of judgments. If there is a Rapture, the Church should be off the earth by the time these judgments start to occur.

These judgments are targeted for the rebellious and nonbelievers – the hardened sinners.

When you read what is going to occur, the first question you will ask is why? Why is God going to go to such an **extreme extent** to allow and cause this type of massive destruction to hit our earth?

**There are two main reasons as to why God is going to allow all of this to happen – and you need to get a strong firm grip on each of these two reasons so you can perfectly understand why God is going to allow and cause all of these extreme events to occur.**

The two main reasons are as follows:

**1.** To try and get as many people saved as He possibly can before the end comes. Remember, the Rapture will probably have occurred before these events start to occur. This means that all of the real Christians will be gone. What will be left are the real hard heads who either did not get it the first time around, or who were too stubborn and rebellious to get saved the first time around.

**God, in His incredible loving mercy, is going to be coming after these people for a second time. However, in an effort to try and reach them with the seriousness and gravity of the situation, He will literally be throwing everything at them, including the “kitchen sink” in an effort to try and to let them know that He does exist and that He will calling them for the last and final time.**

As you will see in some of these verses from Scripture, many of these people will still fail to repent and turn to God – even after the most serious of these judgments literally hit this earth with full force. After you read what is going to happen, you are going to be blown away that so many of these people will still fail to repent and turn to God after seeing and literally living through these massive onslaughts by God.

They will even know that it is God Himself doing all of this because these events will be so supernatural. But they will still continue to curse Him and refuse to break because of their hardened natures and sinful ways. Their eventual end, when it is all said and done, is that they will be thrown into what is called the Lake of Fire and Brimstone where they will then live under severe torment for the rest of their eternal lives.

**But as bad as this eventual end is going to be for these people, you have to understand that God the Father did everything He possibly could to try and get these people saved before their final judgment takes place where they are then thrown into this horrible place of torment for the rest of their eternal lives. This is why these judgments will be so severe and so intense and will be occurring on a worldwide global scale.**

**God does not want or wish that anyone should perish into this horrible place of torment, but He cannot make or force people to accept Him and His free gift of eternal salvation through His Son Jesus. However, He will be going to the most extreme lengths possible with these severe judgments to try and get some of these hardened and rebellious sinners to repent and turn to Him.**

If you read about all of these judgments **in this light**, you will be able to appreciate and understand why God will have to go to this kind of extreme length. When these judgments are over, and Jesus returns for the second time, there will be **no second chance** for these people. If they do not accept Jesus before He comes back, their final fate will be sealed for all of eternity in the Lake of Fire and Brimstone.

**2.** The second main reason these judgments are going to be released by God is to **punish and show His wrath** to all the hardened and rebellious sinners, which will include the Antichrist, the False Prophet, Satan, and all of his demons. You will not only have the Antichrist and Satan killing and persecuting others, but other people will be killing one another as well.

This will all be worse than the city of Sodom and Gomorrah. Many of the Christians who get saved during the Tribulation will be killed by the Antichrist. This one event alone will cause God to release His anger, wrath, and vengeance with full force upon the rest of the unbelieving world. It will also serve as a major warning and foreshadowing of what is about to come their way very shortly – eternal punishment in the Lake of Fire and Brimstone.

In one of the actual seal judgments, there is a whole seal judgment just devoted to the Christians who are martyred during the Tribulation. They are crying out to God to take vengeance on their behalf and He tells them to wait just a little while longer before He does so.

**This is how wicked the world is going to become during this time. The persecution and bloodshed caused by the Antichrist, Satan, and the rest of the unbelieving world will be so bad, that it will cause God to release His wrath with full force upon all of these wicked people.**

**Again, if you can grasp how bad and how evil people are going to become during this horrific time, you can then fully understand and appreciate why God is going to release such severe judgments upon the earth during this time.**

**As intense and powerful as these judgments are going to be, the real sad part about all of this is that there will still be many of these people who will not turn to**

**God. But at least we can all take with us in the next life that our God did everything He possibly could to try and get these people saved and pulled in.**

**But just as a certain amount of the angelic race have fallen, rebelled, and turned away from their God, a certain amount of the human race is also going to do the exact same thing – and there is absolutely nothing that we or even God Himself can do about it because of the free will that He has given to each and everyone of us. This is going to be the saddest part of human history after it is all said and done.**

Now on to the 3 sets of judgments that will take place during the last 7 years on earth.

## **The Seven Seal Judgments**

These first 7 judgments will more than likely occur during the first three and half years of the Tribulation. Here is a description of each of these judgments, along with the Scripture verses from where they are coming from.

### **1. The First Seal**

The first seal judgment is the releasing of the Antichrist upon our earth. The rider on the white horse is the Antichrist. You will notice that he is given a crown to wear. He is also riding a white horse. The color white stands for the fact that he will initially rise to power on peace and diplomacy.

People will think he will have the answers to all of the world's problems. He will appear to be a good guy. However, the color of his horse is going to change in the second seal revealing his true evil nature.

Also notice this verse says that a crown was given to him. This means that God is allowing this man to come forth at this time to eventually rule most, if not all of the world, for a specified period of time. This man would not be able to come to this kind of power unless God Himself would allow it to occur.

Also notice how this verse ends. Even though he is riding on a white horse, his ultimate aim is to conquer and gain control of the entire world. This verse then ends with the statement that he goes out **to conquer**.

Once he is allowed to be released by God, this man will waste no time in gaining control of his 10 nation confederacy, which he will eventually rule from, along with the rest of the nations of the world. Here is the verse:

---

“

***“Now I saw when the Lamb opened one of the seals; and I heard one of the four living creatures saying with a voice like thunder, “Come and see.” And I looked, and behold, a white horse. And he who sat on it had a bow; and a crown was given to him, and he went out conquering and to conquer.” (Revelation 6:1-2)***

---

Notice that Jesus is the Lamb at the beginning of the verse. Jesus is the One who opens up the seal, which means that God is allowing this event to occur.

## 2. The Second Seal

The second seal is again with the Antichrist riding on it, but this time the color of his horse changes from white to fiery red! This means that the Antichrist starts to show the rest of the world his true evil nature.

Again, the key word to catch is the word “**granted.**” It says in this verse that it was granted for this man to start to wage war and to take peace from the earth. Again, this will all be happening only with God allowing it too.

The last half of this verse tells you that this man will be allowed to take peace from the **entire earth** – not just from a few countries. When he starts to do this, this verse ends up saying that people will start killing one another. The last sentence of this verse says that the Antichrist is given a great sword, which means that he now can go out to start wars so he can get all of the nations of the world under his rule.

---

“

*“When He opened the second seal, I heard the second living creature saying, “Come and see.” And another horse, fiery red went out. And it was granted to the one who sat on it to take peace from the earth, and that people should kill one another; and there was given to him a great sword.” (Revelation 6:3-4)*

---

Also notice that Jesus is the One who opens up this seal allowing all of these events to occur.

## 3. The Third Seal

Once again, Jesus is the One who opens up this next seal. In this seal, the horse of the Antichrist will now change from fiery red to black. As a result of the wars and the killing that starts to occur when the second seal is opened up, the color black represents the results of what wars will start – and that is famine, disease, and food shortages.

In this verse, it says that people will work all day long in order to get just enough food to get them through for the day. It says a **“quart of wheat for a denarius.”** A denarius was one day’s wages back in the days of the Bible. A quart of wheat was just enough food to get by with.

It also says that the oil and wine are not to be harmed, which means the rich and the affluent will still have their rich lifestyles, while many other people will go under this type of tyranny where they will basically be living under slave labor conditions. Imagine all of this with our wealthy lifestyles in our country.

This verse also says that the rider on the black horse, who is the Antichrist, has a pair of scales in his hand. I believe these scales show that the Antichrist has the power and authority to tip the scales in his favor. He will have the power to arrange for many countries to be living under these slave labor conditions where they will have to work all day long just to be able to buy enough food to barely live on.

**Bottom line – living conditions will become horrible and deplorable for many people throughout the entire world once the Antichrist is able to adjust the scales to make all of this happen.**

Here is the verse:

---

“

***“When He opened the third seal, I heard the third living creature say, “Come and see.” And I looked, and behold, a black horse, and he who sat on it had a pair of scales in his hand. And I heard a voice in the midst of the four living creatures saying, “A quart of wheat for a denarius, and 3 quarts of barley for a denarius; and do not harm the oil and the wine.” (Revelation 6:5-6)***

---

3 quarts of barley are also considered just enough food to get by on.

## 4. The Fourth Seal

In this next seal judgment, things start to go from bad to worse. The color of the horse now changes to a pale color. The pale color stands for **death!**

I believe this is still the horse of the Antichrist. This verse then goes on to state that power is given to him to **kill a fourth of the earth's population by sword, hunger, death, and by the beasts of the earth.**

**I repeat, one fourth of all the people living at this time are going to be killed by one of the 4 ways mentioned above.** The Antichrist will be the one responsible for arranging and setting up all of these events to occur in order for this many people to be killed.

Again, notice that this power is given to him. This means that God is “allowing” these turn of events to occur through this unholy man. This verse also says that Hades follows death. This will be another whole article. However, long story short, Hades (hell) is the place where nonbelievers go when they die.

Nonbelievers do not go to the Lake of Fire and Brimstone until after the 1000 year Millennium Kingdom has passed. Hades (Hell) is their temporary place of torment until that event happens. With Hades following after Death in this verse, it seems to be implying that the people who are being killed in this judgment are nonbelievers, not Christians.

Many of the Christians that get saved after the Rapture are going to be martyred, but God seems to be keeping their deaths separate from the deaths talked about in this seal judgment.

So if you put these two together, you will have most of the Christians who are saved after the Rapture getting killed by the Antichrist, along with one fourth of the rest of the nonbelievers also getting killed due to the wars and bloodshed that will be caused by this man and some of the other kings of the earth.

**This will be a mass killing of humans on a scale that the world has never seen before. This will be a world holocaust, not just a Christian-Jewish holocaust.**

Here is the verse:

“

***“When He opened the fourth seal, I heard the voice of the fourth living creature saying, “Come and see.” And I looked, and behold, a pale horse. And the name of him who sat on it was Death, and Hades followed with him. And power was given to them over a fourth of the earth, to kill with sword, with hunger, with death, and by the beasts of the earth.” (Revelation 6:7-8)***

I believe the beasts of the earth are other kings and rulers who will be joining forces with the Antichrist in setting up this mass slaughter of humans.

## 5. The Fifth Seal

Now this next seal judgment is different than the first four. With many Christians now under heavy persecution, along with one fourth of the nonbelievers, this seal judgment deals with the cries of the martyrs who are now living in heaven with God.

They are literally crying out to God asking Him when He is going to stop all of this persecution and bloodshed and avenge them for being killed in this manner. God tells them to wait just a little while longer until the number of their fellow servants still on earth are killed and martyred as they were. From this verse, you can tell that these days are literally numbered by God Himself, which we already know from previous verses. We already know that once the 7 year Tribulation starts, it will run for a full 7 years.

This verse also tells us that even though the martyrs are crying out in heaven for God to take some kind of action on their behalf, God is still not going to move until these events run their course by the exact number of days as prophesied in Scripture. For God to allow this event with the martyrs crying out in heaven for Him to do something to act as one of the actual seal judgments – this shows us how bad this persecution is going to be on the earth.

This verse may also be implying that we, who may already be in heaven from the Rapture, may be allowed to watch all these events unfold from heaven. I have always believed that this was a possibility, since the last 7 years on earth will be a major history lesson that God will never want us to forget.

I believe that God wants to show all of us what will happen to our world once He pulls back His restraining hand and allows Satan and one evil man, the Antichrist, to wreak

as much havoc and destruction as they possibly can. With the main body of believers having already been raptured before all of these events start to occur, God is going to show all of us what will happen to our world when He is not a part of our lives and a part of our world.

All of the atheists and unbelievers who are living during this time are going to wish they were never born after they see what will be coming their way once God pulls His Church off the earth. Atheists and the rest of the unbelieving world are going to find out the hard way that man does not have all of the answers to solve all the world's problems – only God does. And if you take God out of the equation, then you will end up with **maximum death** as will be shown in these last 7 years.

Here is the verse:

---

“

***“When He opened the fifth seal, I saw under the altar the souls of those who had been slain for the word of God and for the testimony which they held. And they cried with a loud voice, saying, “How long, O Lord, holy and true, until You judge and avenge our blood on those who dwell on the earth?”***

***And a white robe was give to each of them; And it was said to them that they should rest a little while longer, until both the number of their fellow servants and their brethren, who would be killed as they were, was completed.” (Revelation 6:9-11)***

---

## 6. The Sixth Seal

Now in this seal judgment God starts to take direct action Himself! With all of the killing that is starting to occur in the above events, God shoots a very heavy torpedo at the earth. God causes a great and massive earthquake to strike the earth. This earthquake is so heavy, that every mountain and island is moved out of its place!

This verse says that when the kings of the earth see this event unfold, they will know that it is God Himself because of the intensity and magnitude of it. This verse says that all of the rich men, great men, the mighty men, the commanders-in-chief, and all the

kings of the earth will initially hide themselves in caves and in the rocks of the mountains fearing that God will be coming after them next.

They will know that God has just released His furious wrath against all of them for all of their atrocities and evil deeds. This will be a warning shot across the bowels of their deck in that their days are numbered, and that God will be coming after them very shortly to avenge the deaths of all Christians and Jews who have been martyred during this time.

And as you will see in some of the other judgments to follow, these people still will not repent and turn to God. They will still continue to hold on to their evil ways and curse God. Unbelievable stupidity, pride, and arrogance! And eventually that pride and arrogance is going to get them thrown into the Lake of Fire and Brimstone for all of eternity.

But we will all be able to look back on all of these events and realize that our God did everything He possibly could to try and get these people to repent and turn to Him. This great earthquake is the start of it. Here is the verse:

---

“

***“I looked when He opened the sixth seal, and behold, there was a great earthquake; and the sun became black as sackcloth of hair, and the moon became like blood. And the stars of heaven fell to the earth, as a fig tree drops its late figs when it is shaken by a mighty wind.***

***Then the sky receded as a scroll when it is rolled up, and every mountain and island was moved out of its place. And the kings of the earth, the great men, the rich men, the commanders, the mighty men, every slave, and every free man, hid themselves in the caves and in the rocks of the mountains, and said to the mountain and rocks, “Fall on us and hide us from the face of Him who sits on the throne and from the wrath of the Lamb! For the great day of His wrath has come, and who is able to stand?” (Revelation 6:12-17)***

---

Also notice in addition to this great earthquake, that the sun will turn black and the moon will look like blood. It also says that stars will fall to the earth. This could be

possible meteor activity. But with God turning the sun black and the moon into blood, He is making a very powerful statement to the rest of the world.

**God is showing His wrath by the sun turning black, and He is showing, by the blood on the moon, that He will be taking His vengeance upon all of these evil people very shortly due to all of the evil atrocities they have just committed – especially against His own people.**

Talk about a **warning shot!** God is mad and these evil people's days are numbered! When Jesus comes back for the second time in the battle of Armageddon, God will be spilling their blood literally.

I have already given you a physical description of what will happen in my first end time article of this series. The Bible says that Jesus will **dissolve their flesh while they stand on their feet, dissolve their eyes right out of their sockets, and dissolve their tongues right out of their mouths.**

As brutal as this punishment might sound, you can begin to understand God's wrath and anger against these evil people due to all of the bloodshed and horror they have caused as described in the above seal judgments. These people will deserve the full punishment and the full wrath of God for all of their evil acts.

**God the Father is a God of maximum intensity. The Bible says that He is slow to anger. But the evil of the people in this day will cause Him to release His anger and wrath in a way that the world has never seen before and will never see again. I believe that the wrath God will manifest in this day will be greater than the wrath He manifested in the flood of Noah and the destruction of Sodom and Gomorrah.**

For God to get this mad shows you how evil people will really become during this time. Thank God we will never see another day or time like this ever again.

## 7. The Seventh Seal

This next and final seal judgment is another direct move from God. It is a prelude that will lead up to the next series of judgments called the Trumpet Judgments.

In this chilling verse, it says that there was total silence in heaven for a half an hour. This is the quiet before the next round of storm activity – just like the quiet that sometimes occurs before a storm or tornado. The verse then ends with an angel throwing what is called a censer, which is filled with fire, to the earth. When he does this, the earth is hit by thunderings, lightnings, and another earthquake!

There are now 7 angels who are getting ready to sound what will be called the 7 Trumpet Judgments. And wait until you see what God is going to do in this next series of judgments.

Here is the verse:

---

“

***“When He opened the seventh seal, there was silence in heaven for about half an hour. And I saw seven angels who stand before God, and to them were given seven trumpets. Then another angel, having a golden censer, came and stood at the altar. And he was given much incense, that he should offer it with the prayers of all the saints upon the golden altar which was before the throne. And the smoke of the incense, with the prayers of the saints, ascended before God from the angel’s hand. Then the angel took the censer, filled it with fire from the altar, and threw it to the earth. And there were noises, thunderings, lightnings, and an earthquake. So the seven angels who had the seven trumpets prepared themselves to sound.” (Revelation 8:1-6)***

---

This last and final seal judgment is an introduction to what is getting ready to occur in the next series of judgments. What God did in the seventh seal judgment was just a warm-up compared to what He is going to do in the next series of judgments called the 7 Trumpet Judgments. God is getting ready to release full, heavy, torpedo action against all of these evil people, and still many of these people are not going to break and repent.

If you will also notice in the last seal judgment, the angel is offering all of the prayers of the saints to God. I believe the prayers this angel is offering to God are the prayers from His people to avenge their deaths.

**Now God has heard their prayers – and He is now going to start to take very heavy action against the rest of the unbelieving and evil world. The Bible says that “vengeance belongs to the Lord.” Now we will all get to see the vengeance and wrath of God released full force against these evil people.**

Spiritual sound. I'm not sure words of man could fully describe the horrah that is to come upon mankind during the tribulation.

Why does the author keep equating Christians and Jews? Christians will be saved not anyone else. I know we are in a time of political correctness but the Jewish faith does not recognize Jesus Christ as the son of God or his authority to speak his father's words. They do not believe in the power or truth of the new testament so they would not be want to be associated with anything in Revelations in there, so don't include them. God will come and save CHRISTIANS and the rest, ALL the rest, will perish unless they abandon all other false gods and faith and accept Jesus Christ as their savior. I don't know, maybe each religion thinks they have their own salvation but I am sure they do not count Christians as those who their religion will save.

I would not waste a lot of time trying to get between God and His people. I recall a verse stating that the knowledge of Christ will be written directly on their hearts. Your views are disputed in many verses. The surrounding nations (moslems) will be servants to the Jews through the millennium...

Most interpretation(s) are made by those with the mental “brain-path” that LUST becomes a religious sacrament with a legal or taxed license...there is a difference in interpretation with those who are not “trained to that actually practice the belief and also follow or practice against the 7 deadly sins.

Interpretations vary ..... based on “chosen practices of those who call themselves believers and those who mentally believe. With a legal license in marriage, lust becomes some type of religious symbol of Virgin MARY and GOD.

There are some Messianic Jews who do believe in Jesus Christ as their Lord and Savior. Prime Minister Netanyahu is a Messianic Jew or a Christian Jew. Those are saved and will go up in the Rapture or if they die before then will spend an eternity with the Lord. The rest of the Jews who are non believers face the same judgement as anyone else who is not a Christian.

Is God's wrath during the entire 7 years of the tribulation? Or does it start later during the tribulation

Very true on all accounts. This is truly a Horror story that most people would NOT want to rent on a DVD-for they would have nightmares for a very long time.

The very sad thing is that satan has deceived most people, especially these last two generations, and they haven't a clue. he is the father of all lies, and the very best lier is one who tells 98% of the truth and 2% lie to lure you into believing that God and His Bible are all written by man- The Bible is truly written by GOD-inspired man. Anyone who has a personal relationship with God, Abba, knows that if you do not obey Him, it leaves you too restless. Know that that little voice inside you is God, trying to reach you. Amen- I pray for my son that he'll awaken, before it's too late. But, It is every man for himself.

I'm always amazed when I read reviews. There is such diversity in doctrine. Safe to say, when we get to heaven and face our LORD all will have surprises. Remember our Lord Jesus is Holy and Just. He will get all the glory forever. We need to keep our eyes on him and stand on his Holy Word. Stop this senseless polite bickering and Just try to win as many people as you can for him !!!!!!!

So Christians are in a sleep state after they die? And before the rapture, the "dead in Christ shall rise first?" What about the dead who were risen from their graves when Jesus was crucified?

When does the Christian receive their judgement? At the rapture? At the end of the tribulation period? Upon their death?

When does the unbeliever receive their judgement? Once in hell (hades)? Again, in the great white throne judgement? So they are judged twice?

Just trying to find a way to explain all of this in a clear, specific manner while also tying up any loose ends.

all of this is in error.

You do lie in sleep until Christ Jesus comes back for us. Why would the Old Testament tell us “The dead know nothing?” in Ecclesiastes? It further says that when you die, you spirit (in this case your BREATH) goes back to God who gave it when you die.

In Genesis...its noted that God breathed into Man’s nostrils...and he BECAME a living soul...it does not say that Man possesses a soul..HE IS a soul.

Also, what others think of as a “7” year tribulation, has already occurred. Its known as the Dark Ages...when millions of God’s people were murdered for something as simple as owning a Bible. A period of 1760 years when the Catholic Church ruled supreme...until their power was broken by General Berthier in 1798. They reclaimed their state power with a concordant signed by Italy in 1929.

There is a tribulation yet to come...and we will all be here to see it.

Jesus said in Matthew 24:22-24 22 And except those days should be shortened, there should no flesh be saved: but for the elect’s sake those days shall be shortened.

23 Then if any man shall say unto you, Lo, here is Christ, or there; believe it not.

24 For there shall arise false Christs, and false prophets, and shall shew great signs and wonders; insomuch that, if it were possible, they shall deceive the very elect.

The “elect” here...are God’s people. The 7 bowl judgements will devastate the world...but the wicked will not repent.

I think when you accept Christ you are passed out of judgement (heaven or hell). But i do think Christians will receive rewards for the things they did good on earth... he didn t come to condemn us... he came to save us!!

Also...

I don t think time exist in heaven. All things are already completed in heaven. God lays out end time happenings from an earthly perspective. But in reality ... all things are complete.

dear friends,

I cannot help but to notice that everywhere i go rather it is church or fellowship, or bible versions and so forth, I cant help to notice that everyone has a different idea on what is going to take place when it is time for the rapture, tribulation and all that important information in revelation. The truth is very important. But there are times when I do not understand what the bible says or means. I love God with ALL my heart and am eager to know Him more and more. I am eager to be His worker as well. One thing I find that helps me is the message bible. Its contemporay so you can understand God’s word better. Now I am able to understand the bible better by using the message and nkjv and niv study bible. i have also taken a look at kjv but I do not understand it. But everyone is different. Im going to take a look at Revelations myself in the message bible. And of course pray to God for understanding as well.

Perhaps friends, have you all tried praying before reading His word? Ask for understanding. at least we know we did what we can to understand Him. God isnt complicated
